Who We Are

Friends of the Turtle Lake Public Library

Background

The Friends of the Turtle Lake Public Library was organized in 2009. It is a volunteer, non-profit, tax-exempt organization. We raise funds for library materials, programs and other needs not supplied by the normal operational budget.

Purpose

- To better serve our community's educational, professional and recreational needs
- To provide free access to information
- To promote literacy
- To provide quiet areas for students and adults

We want to expand programs and provide more opportunities for people in our community and surrounding area.

Recent Accomplishments

The Friends raised \$155,000 to establish the new library. We moved into our new facility in August 2016, after seven years of fundraising.

Future Projects

- Expand materials and computers
- Host author visits
- Support Summer Reading programs
- Create book clubs
- Library needs
